

*Gloriadale*

**POLLED SHORTHORN  
NEAR DISPERSION**

**OCTOBER 23, 1965    PORT HOPE, ONTARIO**

**On the Front Cover . . .**

The head of Constellation of Bapton x AAA. He is the only polled son of the world-famous Calrossie Constellation and is a half brother to the immortal Bapton Constructor. Among his sons is Captivator of Bapton x, the only AAA polled bull in the United States and stock bull for Sutherland Farms, Prospect, Ky. At Gloriadale, Constellation of Bapton x was mated to the daughters of Gloriadale Meteor 5th x, the stock bull that made Gloriadale one of the most respected names in the industry.

Part of the Gloriadale Polled Shorthorn female herd.

Port Hope,  
Ontario

ROY PHILP

In response to the many kind letters and phone calls we have received, I think it is important to tell you why we are selling and about the future of Gloriadale.

Gloria and I wish to assure you that Gloriadale will continue to breed Polled Shorthorns. Allen Bell, our herd manager, agreed to come for two years and wishes to return to his own farms. This is the only reason we are selling most of our cattle. We feel it is virtually impossible to get a manager of his calibre and the herd is too large to risk with an inexperienced person.

We have spent 15 years building Gloriadale Polled Shorthorns. No herd has been culled more closely. We have always stressed size and quality and have never used anything but a ton bull. We have never sold a top female, in spite of some very attractive offers. Replacement females were chosen only from our best families. Regardless of how good a female looked, how strong her pedigree, how

much she cost, no cow ever stayed unless she produced calves to meet our standards. Stock bulls were tested on a few cows and if they couldn't produce the right type of polled calves, they were sold. We have established, through our original purchase of Birmingham seed stock and the blending of good Scotch Shorthorn blood, a completely new bloodline in Polled Shorthorns.

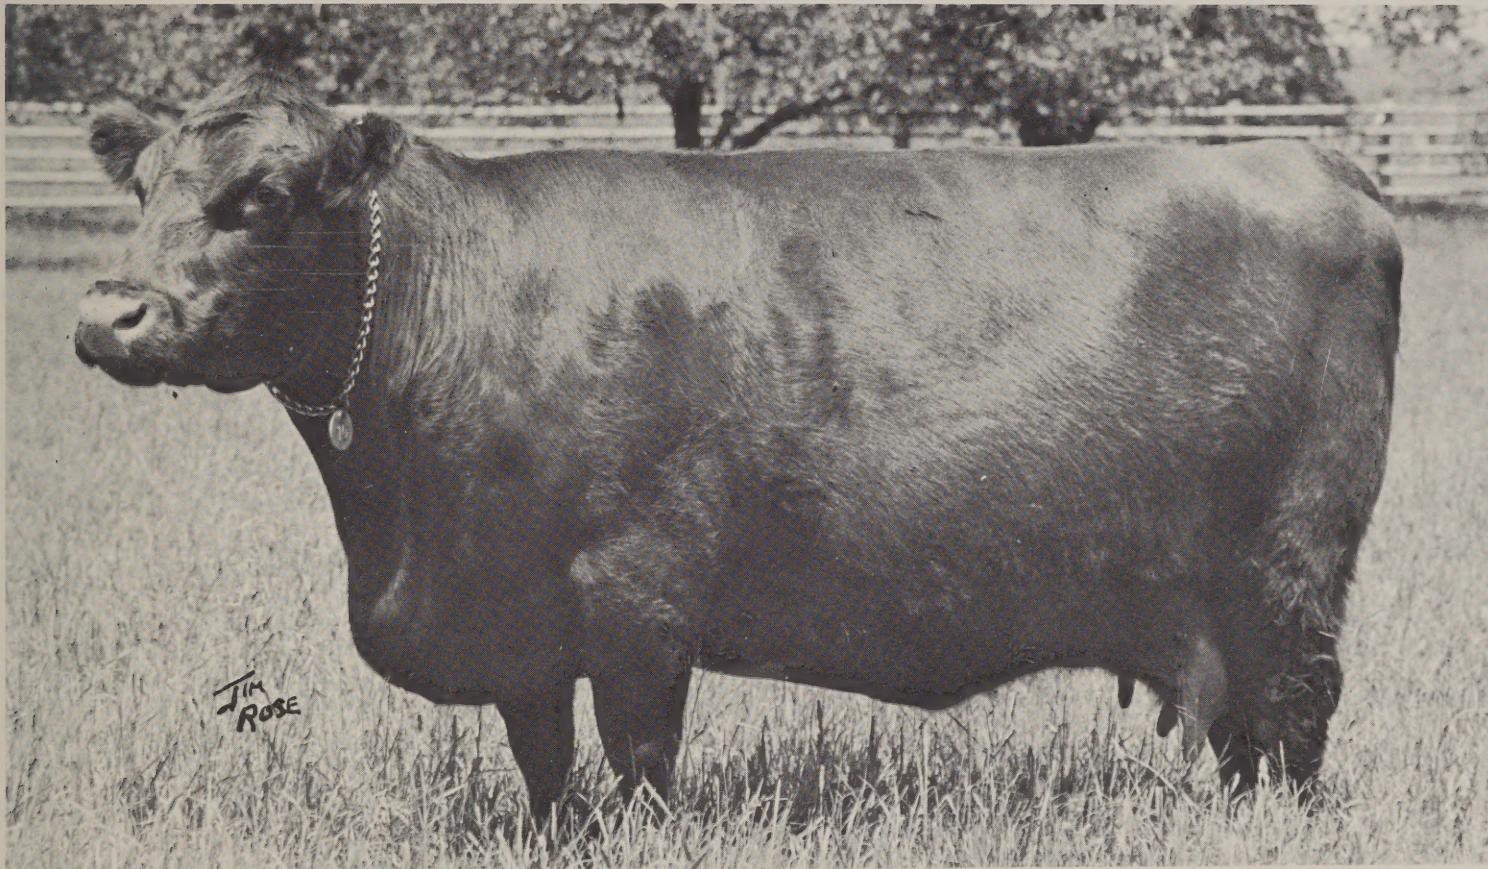

As you review the catalogue it should be obvious to you what we have tried to do — save the best daughters of Birmingham Meteor x and Gloriadale Meteor 5th x and then cross them back to our new imported Constellation of Bapton x. We sincerely hope our cattle will find their way, through this sale to homes where our programme of improvement may continue.

Our association with Shorthorn and Polled Shorthorn breeders has been a happy one, and we hope it will long continue. We like the people in it and the challenge of breeding the best.

Gloriadale will continue to be strong in quality.

Roy Philp

WE ARE NOT SIMPLY SELLING CATTLE — — —  
BUT FIFTEEN YEARS OF A PLANNED PROGRAM

#### GLORIADALE MAYFLOWER 8th x

This brood cow is typical of the quality in the Gloriadale cow herd. Note her size and type. She classified AA and is a full sister to Gloriadale Meteor 5th x, the stock bull that made the herd famous.

## General Sale Information

**TIME AND PLACE** — Saturday, October 23, 1965, 12 Noon, Eastern Daylight Time, at Gloriadale Farms, 8 miles from Interchange 80 on Highway 401. Approximately 60 miles east of Toronto. (See map on page 6)

**LUNCH** — A ladies' Church organization will have lunch available on sale day.

**TRANSPORTATION** — The Canadian National runs frequent trains from Toronto. We will be happy to meet you in Toronto, but please notify us sufficiently in advance. Those coming by plane on Thursday night and Friday should report to Air Canada flight information counter. Inquire about transportation to Gloriadale Farms, and phone 534-7991 or 757-4309 Toronto. (Area Code 416)

**HOTEL ACCOMODATIONS** — Sales headquarters will be the Rock Haven Motel and the Tops Motel, Peterboro, Ontario. With the Louada Sale being on Monday, we felt it would be better to have a joint headquarters. We will be glad to make reservations for you. These two motels are located approximately 20 miles from Louada and 20 miles from Gloriadale. There are good motels at Port Hope, namely the Village Motel, Welcome Motor Court Motel and Greenwood Towers which are within eight miles of the farm. Transportation from all these motels will be provided.

**AUCTIONEER** — Donald L. Smock, Whiteland, Ind.

**TELEPHONES** — Roy Philp, office (416) 885-2425; home (416) 885-2973. Gloriadale farm phone through Garden Hill, Ont., 170.

**GUARANTEE** — All of the cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Ass'n.

**HEALTH** — The Gloriadale Herd is accredited for T.B. and is in Durham County which is a Brucellosis-free area. Official calfhood vaccination of females has been practiced for the past 15 years. All papers necessary for export will be provided.

**TERMS** — The terms of the sale are cash. Settlements are to be made with the clerk immediately at the conclusion of the sale. All stock will be at buyer's risk as soon as bid off, but Gloriadale will assist in making shipments and loading on trucks. Please give the clerk your shipping instructions. All announcements at sale time, written or oral, supercede any written material in this catalogue.

**LIABILITY** — Gloriadale Farms, its owner and employees, accept no liability for accidents that may occur. Everything will be done to provide for the comfort and safety of those attending. Accidents at cattle sales are very rare, but all who attend do so at their own risk. The sale manager, auctioneers and clerks are employed by Gloriadale for specific promotional and clerical tasks and have no connection with the handling of the cattle, condition of the premises, fulfillment of guarantees or health papers. The sale of each animal constitutes a contract between Gloriadale Farms and the buyer of each lot.

**MAIL BIDS** — We hope that it will be possible for you to attend this sale. If you cannot and wish to send a bid, it may be sent to any of the following:

**E. H. Stoltz**, Canadian Shorthorn Ass'n., Gummer Bldg., Guelph, Ont.  
**Don Longley**, The Shorthorn World, 16 So. Locust St., Aurora, Ill.  
**Al Hamann**, Rock Rapids, Iowa.

**Harris Simons**, The Shorthorn World, 16 So. Locust St., Aurora, Ill.  
**W. L. Elliott**, Secretary, Ontario Shorthorn Club, R. 4, Guelph, Ont.  
**Gene McDonald**, The Shorthorn World, 16 So. Locust St., Aurora, Ill.  
**H. W. Walker**, 3906 East 71st Street, Indianapolis, Ind.

**Allen Bell**, Herd Manager, Gloriadale Farms, R. 1, Port Hope, Ont.  
**Ed. Huff**, Livestock Breeder Journal, Culpeper, Va.

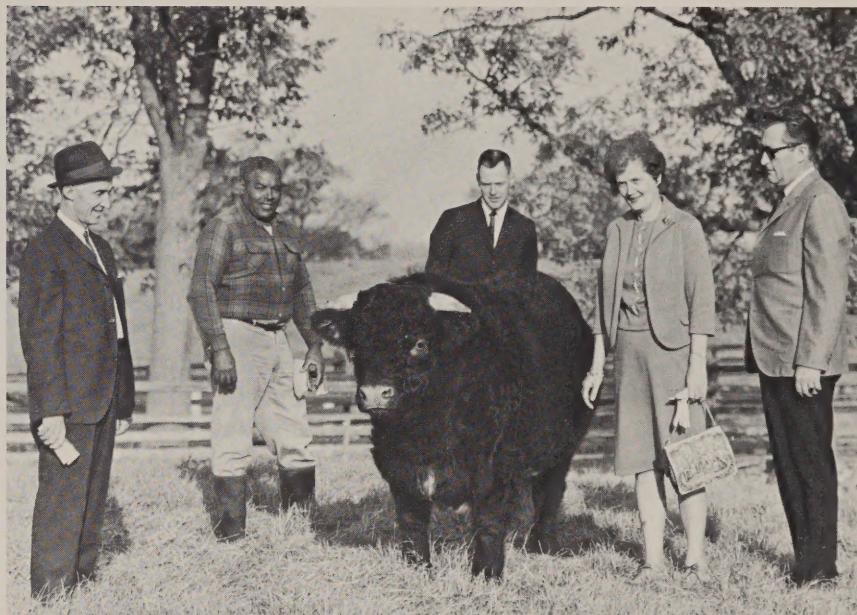

**INSURANCE** — Will be available at the sale.

**PREMIUM ON U.S. DOLLARS** — The U.S. dollar in Canada is at a premium of about 7% and this exchange differential more often than not pays the buyer's cost of getting the animal home.

## ARRIVE EARLY FRIDAY

One of the greatest pleasures we Shorthorn breeders have is getting together before a sale. From the letters and phone calls we have received, we know many of your friends will be here. Please join them and see this great herd of Polled Shorthorns which it has taken 15 years to build before it is near-dispersed.

Friday, the day before the sale, we extend a special invitation for you to come to Gloriadale and spend the afternoon roaming through the pastures viewing our stock bulls and sale cattle. Then join your friends in the evening right **at the farm** for a buffet dinner.

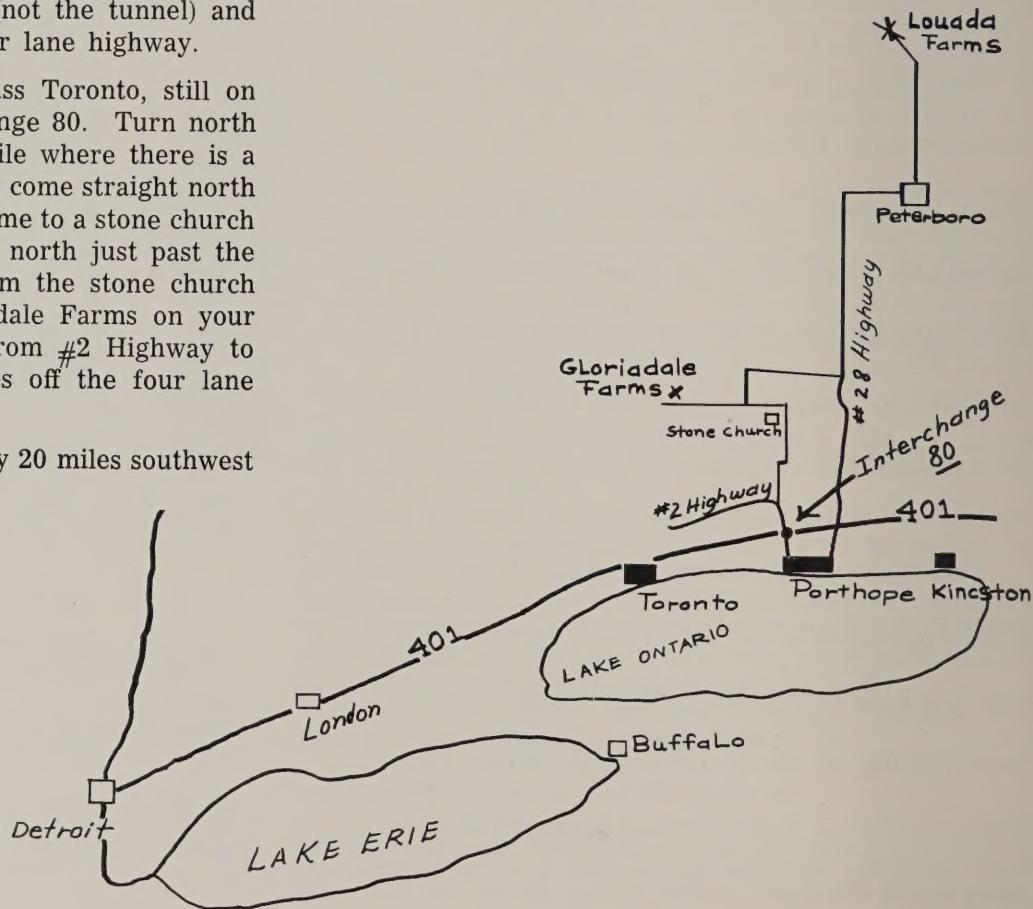

Roy and Gloria Philp are pictured above with Ledford Mays, Allen Bell and Charles Waye admiring Louada Request, the bull that sold to the Browns of Kentucky in the 1964 Louada Sale.

## MAP TO GLORIADALE

Expressway 401 is now completed and you can drive from Detroit, Mich. Go over the bridge (not the tunnel) and come right on to the end of this four lane highway.

After you get on 401 you bypass Toronto, still on 401 going east, and come to Interchange 80. Turn north here on #2 Highway for about  $\frac{1}{2}$  mile where there is a blinker light. Leave this highway and come straight north on a hard-top county road until you come to a stone church on your left. The county road turns north just past the church but you go straight west from the stone church for  $\frac{1}{2}$  mile and you will see Gloriadale Farms on your right. There will be signs posted from #2 Highway to the farm. The farm is only 8 miles off the four lane highway.

Gloriadale Farms is approximately 20 miles southwest of Peterboro.

**Some typically good Shorthorn and Polled Shorthorn females in the Gloriadale herd.  
Most of these sell on October 23.**

### **From the Sale Manager —**

Few Polled Shorthorn herds have given so much thought and effort to their breeding programs as has Gloriadale. The best Polled Shorthorn blood, blended with rich Scotch Shorthorn pedigrees, has resulted in a notable record of improvement. Gloriadale productions have found well-deserved buyer support wherever offered and Gloriadale customers have been rewarded with profitable, quality-

packed calf crops. Conscientious culling and performance testing have been practiced and only cattle of reliable breeding have been kept.

Only in a near-dispersion sale such as this will one find so many of the right kind of foundation females put up for public appraisal. No Polled Shorthorn breeder intent on improvement can afford to pass up this event.

*Don Longley*

The Shorthorn World

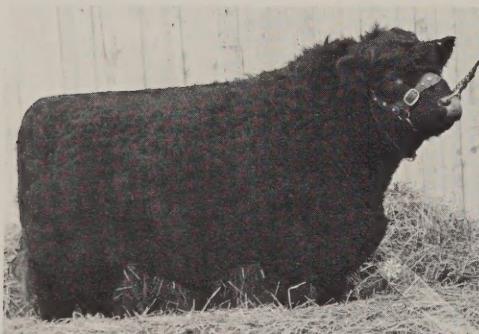

## GLORIADALE BULLS DO WELL FOR THEIR NEW OWNERS

**GLORIADALE FASCINATION x**

### **GLORIADALE FASCINATION x**

All-time record priced top-selling bull and reserve champion at the All-American Sale, Springfield, Ill., October, 1964. Sold to Chuck Leemon, Leemon Stock Farms, Hooperston, Ill., who showed him in the 1965 Illinois State Fair where he won his class and went on to reserve senior champion.

**GLORIADALE SUPREME x**

### **GLORIADALE SUPREME x**

Sold to Frank Dempster, Arlington, Iowa, at the Fourth Canadian International Bull Sale, February, 1965, where he was top-selling polled bull in the 59 bulls sold. Gloriadale retained semen rights on this top young bull and several heifers in the sale are bred to him.

### **GLORIADALE METEOR 19th x**

He was the first son of Gloriadale Meteor 5th x to be sold at public auction in the United States where he was the second top-selling polled bull and the third top-seller in the 108 bulls sold at the 1960 Atlantic All-Bull Sale, Winchester, Va. He had an average daily gain of 2.54 pounds a day under the official Ontario testing program.

**GLORIADALE METEOR 19th x**

### **GLORIADALE METEOR 16th x**

A half brother to Gloriadale Meteor 5th x, the 16th was top-selling polled bull and second top-seller of the entire 108 head Atlantic All-Bull Sale in Winchester, Va., in 1960. He weighed 1,070 pounds at 13½ months and had an average daily gain of 3.02 pounds on test.

**GLORIADALE METEOR 16th x**

**GLORIADALE PREMIUM x**

#### **GLORIADALE PREMIUM x**

Gloriadale Premium x was the second top-selling polled bull at the Fourth Annual Canadian International Bull Sale, Brandon, Manitoba, 1965. He sold to Jack Gabel, Lenore, Man. He had an average daily gain of 2.94 lbs. a day.

#### **GLORIADALE DAUNTLESS x**

Gloriadale also had the top-selling bull in horned competition at the 1964 Tennessee National. He was Gloriadale Dauntless x by Gloriadale Meteor 5th x. He sold for \$1,050 to Buford Sentell, Stevenson, Ala., and Thomas H. Wright, Hollywood, Ala.

Gloriadale at present has four of its bulls in service in artificial breeding units in Canada. In the past few years, six Gloriadale-bred bulls have sold to A.I. units.

*FLASH! Constellation of Bapton x was just named the first AAA bull in Canada as we go to press! Remember, too, that he is the sire of Captivator of Bapton x, the first AAA Polled Shorthorn bull in the United States for Sutherland Farms, Prospect, Ky.*

**CALROSSIE CONSTELLATION**

**LAVENDER CORONITA 17th x**

## **THE SIRE AND DAM OF CONSTELLATION OF BAPTON x (AAA)**

### **CALROSSIE CONSTELLATION**

The sire of Constellation of Bapton x, this son of Calrossie Welcome was one of the greatest bulls ever used in the Bapton herd. His dam was Calrossie Flossy Beau by Kirkton Baronet. His first bull calf, Bapton Constructor, sold for the record price of 15,000 gns. at Perth to Louada Manor Farms, Peterborough, Ont. At Louada, Constructor launched a new era of Shorthorn improvement across the entire North American continent and abroad. Constellation also sired Bapton Cairnbrogie, the top-priced bull at Perth in 1957 when he sold for 7,000 gns. to Sandy Cross, Calgary, Alta. The Constellation females have a reputation for being good milkers with breedy heads and sound legs. In 1957, Constellation was unbeaten on the show circuit and worthily earned the title "Bull of the Year."

### **LAVENDER CORONITA 17th x**

This dark roan was calved Feb. 19, 1953, and had been bred by Lewis W. Thieman & Son, Concordia, Mo. Her sire was Coronet Max Juggler 18th x, and her dam, Merry Lavender x, by Oakwood Merry King x. This female was affectionately known as "Old Granny" and was a favorite in the Bapton Polled Shorthorn herd. She stood second to her daughter, Lavender Coronita 23rd x at the great Yorkshire Show. For breeding, conformation and docility she is indeed the ideal female. She is the mother of our successful herd sire, Constellation of Bapton x.

**BIRMINGHAM METEOR x**

**BIRMINGHAM MAYFLOWER 4th**

### **THE SIRE AND DAM OF GLORIADALE METEOR 5th x**

Birmingham Meteor x, the bull that gave Gloriadale their size in Polled Shorthorns. He weighed 2,265 pounds as a mature bull. He was a half brother to Birmingham Nugget 3d x that was sold to Australia by Ben Franklin.

Birmingham Mayflower 4th x. This good daughter of Millhills Calrossie Leader 2d was the dam of Gloriadale Meteor 5th x. Note her great udder. She is pictured here in her producing form at 14 years.

**GLORIDALE METEOR 5th x**

**FREDA SOUCHONG x**

### **SIRE AND DAM OF GLORIADALE SUPREME x**

Gloriadale Meteor 5th x. Gloriadale turned down an opportunity to sell the 5th for \$7,000. They have never regretted the decision. He has given them many top-selling sons and daughters in addition to raising the quality standard of the herd.

Freda Souchong x was purchased by Gloriadale in the 1958 Hi Ho sale. She is a maternal half sister to the record-priced Polled Shorthorn heifer, Edith Souchong that sold in the 1956 Stars of the East sale for \$5,600 to George Arrowsmith.

**BAPTON CONSTRUCTOR**

Bapton Constructor. One of the great improvers of the Shorthorn breed. This famous bull is a half brother to Constellation of Bapton x, senior stock bull at Gloriadale.

**CAPTIVATOR OF BAPTON x**

Captivator of Bapton x. Famous herd sire at Sutherland Farms, Prospect, Ky. He was the first AAA Polled Shorthorn bull in the U.S. He is the first son of Gloriadale's Constellation of Bapton x (AAA).

**Lot 1**

**Bull**

**GLORIADALE CAPTIVATOR x** — The first son of Constellation of Bapton x to be offered at public auction. He is a half brother to Captivator of Bapton x at Suhterland that was the first polled bull in the U.S.A. to Grade AAA. Captivator has an Ontario Department of Agriculture test of 2.83 pounds a day and weighed 1,013 pounds at 12½ months. He has his father's head, a great set of legs and is a great rear-quartered bull. His dam, Gloriadale Claret 3rd was one of the great brood cows at Gloriadale. We are retaining one of her full sisters and selling another full sister in the sale. If you are looking for a top polled bull for a herd sire, you will travel many miles to find a better one. He is a deep red color and is as much like Constellation of Bapton x, his sire, as any son could be.

**GLORIADALE CONSTRUCTOR x —** Sired by Meteor 5th and out of Gloriadale Mardi Pauline that was by the famous Bapton Constructor. He is a half brother to Gloriadale Fascination x that was reserve grand champion in the All-American Polled Shorthorn Sale, Springfield, Ill., in 1964, and sold for a record price for this sale. Fascination was bought by Chuck Leemon, Hoopeston, Ill., who showed him recently at the Illinois State Fair where he placed first in the two-year-old class and went on to be reserve senior champion. Gloriadale Constructor x would have been used as a junior herd sire at Gloriadale if we had carried on our large herd. He is a great individual with a top polled pedigree. He has a daily rate of gain of 2.69 pounds a day under the Ontario Testing Program.

**GLORIADALE CONSTRUCTOR x, Lot 2**

**GLORIADALE DIAMOND x, Lot 3**

*One of the Best Groups of young  
Polled Shorthorn Stock Bulls available  
is at Gloriadale.*

## **NOW IS THE TIME . . .**

to improve the quality of your Polled Shorthorn herd. The future has never looked brighter for the breed. There is a growing demand for Polled Shorthorns with quality and size . . . traits that have been emphasized at Gloriadale for 15 years. The cattle in this sale can do much to launch you on the road to a brighter Polled Shorthorn future.

GLORIADALE DIAMOND x — Another good-headed polled son of the renowned Gloriadale Meteor 5th x. His dam, Gloriadale Rosewood 5th x, is a Triple A polled cow — one of the greatest polled cows of the breed. He has an average daily gain of 2.64 pounds a day and a lifetime gain of 2.53 pounds a day under the Ontario government testing program. His grandsire is Birmingham Meteor x, that weighed 2,265 pounds. He is a half brother to Gloriadale Dauntless, top-selling bull at the Tennessee National in 1964 and also to Gloriadale Supreme x and Gloriadale Premium x that were top-selling polled bulls at Brandon in the 1965 Canadian International Bull Sale. As stated in this catalogue, Meteor 5th's last 24 sons have an average daily gain of 2.78 pounds a day so this bull has size built into his pedigree.

**GLORIADALE NUGGET 2nd x** — Another top polled son of Constellation of Bapton x. He has an average daily gain of 3.08 pounds a day under the Ontario Beef Cattle Performance Association. He is out of Gloriadale Ransom Mayflower 8th x, a Gloriadale Meteor 5th x daughter. He is very much like his half brother, Gloriadale Captivator x, selling in this sale as Lot 1. If you are looking for a polled herd sire, be sure to try to come to Gloriadale and see this great bull with his deep red colour, tremendous bone and great weight for age.

Constellation of Bapton x, the sire of Lot 5, and a number of the other outstanding cattle selling in this historic sale.

**GLORIADALE CONSTELLATION x** — This is the youngest polled bull ever offered for sale at Gloriadale. He is rated by many top Shorthorn breeders who have seen him as possibly the greatest stock bull prospect ever to be dropped at Gloriadale. He is out of one of the top Gloriadale Meteor 5th x daughters, Gloriadale Claret 4th x that is being retained at Gloriadale as one of their 10 females. He has a full sister, Gloriadale Claret 11th x, selling in this sale as lot 40. She will speak quite easily for her younger brother. If Gloriadale had carried on with their large herd, he would have been retained as a junior herd sire. He has the color, head, bone and type that we have strived for 15 years to build.

GLORIADALE COMMANDER 2nd x — This red polled son of Constellation of Bapton x will be one of the favorite young bulls on sale day. His dam, Claret Bonnie x, is one of the biggest polled cows in the sale selling as Lot 28. His half sister, Gloriadale Claret 9th x, selling as Lot 58, is one of the deepest-bodied heifers in the sale. His head is as close to that of Constellation as any bull we are selling. This calf was one of our favourites the day he was dropped and we feel he will make a great stock bull.

*We Urge You to Attend*  
**LOUADA FARMS SALE**  
**Monday, October 25**  
*at the farm near*  
**Peterborough, Ontario**

Those of us at Gloriadale are pleased to be working in conjunction with Louada Manor Farms for what promises to be the most important Shorthorn and Polled Shorthorn week end on the fall sale schedule.

Plan to arrive at Gloriadale early on Friday, October 22, to inspect the sale offering and the 10 cows being retained in the herd. Then be our guests at a buffet dinner on the farm that night.

**GLORIADALE COMMANDER 2d x, Lot 6 . . . one of the best polled calves to be offered anywhere this fall.**

Saturday is the day of the Gloriadale Near-Dispersion.

Then spend Sunday at beautiful Louada where there is always much to see and attend their sale on Monday, October 25.

Gloriadale is about 20 miles south of Peterborough, Ontario, and Louada is about the same distance north so we suggest you stay in Peterborough for the entire week end. We will be happy to assist in making motel reservations.

**GLORIADALE DIADEM x, Lot 7**

*The greatest Buying Opportunities  
are in Dispersions  
and Near Dispersions*

**GLORIADALE DIADEM x** — Another good-headed, red polled son of Constellation. His dam, Chignecto Rosewood, sells in this sale as Lot 20, and was purchased in the John Carter Dispersion at Aulac, New Brunswick, where she was top-selling female. Only in a dispersion could this type of female be bought as we felt she was the best cow in the herd. Diadem is only an April calf but has plenty of size for age and will easily make a ton bull like his sire at maturity. He has the same stamp of head as his half brother, Captivator of Bapton x, that is so popular at Sutherland Farms in Kentucky, and is the first polled bull in the U.S.A. to be classified AAA. If you can't come on sale day have someone check him for you.

**Lot 8**

GLORIADALE RANDOLPH x — Another polled son of Constellation of Bapton x, out of Gloriadale Rosewood 5th x, who is one of Canada's only three polled AAA females. This January bull has one of the best pedigrees in the sale and has three ton bulls in his background. His mother sells as Lot 12, and his half brother, Gloriadale Diamond x, by Gloriadale Meteor 5th x, sells as Lot 3. This polled bull will have plenty of size when he reaches maturity.

Pictured are four of the good bulls selling in this sale. Left to right, GLORIADALE Diamond x, (Lot 3); GLORIADALE NUGGET 2d x (Lot 4); GLORIADALE CON-  
STRUCTOR x (Lot 2); GLORIADALE CAPTIVATOR x (Lot 1).

**ABERFELDY CAVALIER x** — This is possibly the first polled bull to be sold with the prefix Aberfeldy. When you see him on sale day you will agree that he will uphold this great Aberfeldy Shorthorn name. His dam Aberfeldy Rosewood 7th is by the imported Kair Ambition that also produced Aberfeldy Augusta Amelia that will be kept at Gloriadale. You can see her on sale day. His sire, Gloriadale Cavalier 20th x, had a rate of gain of 3.06 pounds a day and was sold by Gloriadale to the Central Ontario Cattle Breeders Association. He in turn was out of Birmingham Cestria; Gloriadale's AAA horned cow that has two daughters selling in this sale. Gloriadale Broadhooks x selling as Lot 32, and Gloriadale Broadhooks 2nd x, selling as Lot 45. With his great pedigree he could easily be one of the best polled bulls to leave Gloriadale. He was officially weighed on test at eight months of age at 704 pounds by the Ontario government.

Gloriadale Cavalier 20th x, sire of Lot 9. The "20th" had a rate of gain of 3.06 pounds a day and sold to the Central Ontario Cattle Breeders' Ass'n.

**PETLO EXECUTIVE x** — Another red polled son of the renowned Gloriadale Meteor 5th x. We bought him from The Gunter Brothers, Trenton, Ont., for this sale as we sold them the Gloriadale M Missie x heifer carrying this calf in April 1964. He will have plenty of size like many of his half brothers listed on the rate of gain chart in this catalogue. His grandsire on his dam's side Richwood Executive x was reserve senior champion at the 1960 International. Gloriadale Meteor 5th x sons have bred well wherever they have been sold. Why not be one of the owners of a 5th bull? If you can't attend the sale, have someone check him for you. His granddam sells in this sale as lot 14.

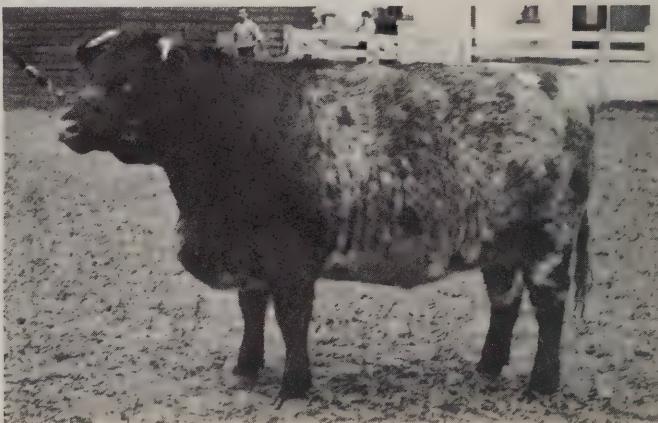

Two of the featured bulls in the sale. Left to right, GLORIADALE DIAMOND x, Lot 3, and GLORIADALE CONSTRUCTOR x, Lot 2. Both are sons of Gloriadale Meteor 5th x.

From left are GLORIADALE MAYFLOWER 32nd, Lot 52; NORLENVIEW CLARET 17th x, Lot 51; NORLENVIEW CLARET 15th x, Lot 43; GLORIADALE MAYFLOWER 31st x; GLORIADALE MAYFLOWER 29th, Lot 50; NORLENVIEW ARISTOCRAT BELL x, Lot 46, and GLORIADALE BROADHOOKS 2nd x, Lot 45.

At right is Aberfeldy Augusta Amelia 2nd, maternal granddam of Lot 11. The "2nd" is out of Cluny Augusta Amelia, the dam of the famed Aberfeldy Deacon.

**GLORIADALE PRESIDENT** — He is a very soggy bull by Constellation of Bapton x. He is dehorned but he had so many admirers this summer we thought we would give everyone a chance to see him on sale day. His half brother Gloriadale Monarch x, by Meteor 5th x, was sold to K. W. Taylor, Waterville, Nova Scotia, and by all reports he is a very popular Shorthorn bull. His dam, Gloriadale Augusta Amelia, sells in this sale at Lot 17. His granddam is Aberfeldy Augusta 2nd that is out of the same dam as R. W. Gardhouse's International champion, Aberfeldy Deacon. We are keeping this great dam as one of our 10 females at Gloriadale. See this young bull on sale day.

**GLORIADALE ROSEWOOD 5th x** — This cow is classified AAA and according to E. H. Stoltz, there are only three AAA polled cows in Canada. We hesitated to sell this big polled cow, but felt that we must part with this type to make this one of the top Polled Shorthorn offerings in North America to date. Her last son, by Gloriadale Meteor 5th x, Gloriadale Diamond, sells in this sale and has an average gain of 2.64 pounds a day under the Ontario Department of Agriculture testing program. She was rebred to Gloriadale Meteor 5th x, April 19, 1965. She is one of the few remaining daughters of Birmingham Meteor x, that weighed 2,265 pounds which accounts for her size and she is smooth. A second son by Constellation of Bapton x sells as Lot 8. (Tag 23)

**BRISTOW'S CLARET 10th x** — Another top daughter of Meteor 5th x. We bred Oakendale Claret 51st for Nyle Bristow and when this calf was born we just had to buy cow and calf to get her back but she was that kind of a calf and still is. Her granddam, Oakendale Claret 34th, produced Gloriadale Meteor 16th x, top-selling bull at \$1,100 at the 1960 Atlantic All-Bull Sale, Winchester, Va. Oakendale Claret 34th also produced Gloriadale Claret 4th, one of the 10 cows being retained at Gloriadale, and who in turn will have two Constellation of Bapton x calves selling in this sale as Lot 40 and Lot 5 and which may well be two of the top sellers. This Meteor 5th heifer is well bred and was bred on April 13 to Constellation of Bapton x. She will be a sale attraction. (Tag 24)

How's this for a group of cows? Left to right, Aberfeldy Augusta 2d, Gloriadale Ransom Maid 6th x, Gloriadale Rosewood 5th x, Gloriadale Gloria Souchong 3d x, Gloriadale Ransom Gloria 4th x, Gloriadale Claret 4th x, Rosborn Lancaster Beauty 12th x, and Gloriadale Gloria Souchong.

**MAPLEWOOD M MISSIE** 2d x purchased in the 1961 Glatwyn-Richwood sale at \$1,050. She sells as Lot 14. Shown are Mr. and Mrs. Roy Philp, Tom and Allen Richardson.

**U.S. FUNDS  
ENJOY A PREMIUM  
IN CANADA.**

Remember, your dollar is worth approximately \$1.07 in Canada, due to the exchange differential. This difference often pays the price of transporting your cattle home.

MAPLEWOOD M MISSIE 2nd x — This young cow was purchased in 1961 Glatwyn Richwood sale and was destined for lifetime service in our cow herd as she has plenty of type and size. Her first daughter, Gloriadale Missie, has a Meteor 5th x, son in this sale selling as Lot 10. Her second daughter by Constellation of Bapton x, is a beautiful roan, open heifer selling in this sale as Lot 62. She was rebred to Constellation of Bapton x, Feb. 4, 1965, and will calve early in November. Don't miss seeing her on sale day as this is one of the cows we wished to keep at Gloriadale. (Tag 66)

GLORIADALE AUGUSTA AMELIA — She is a dehorned daughter of the imported Bapton Calvert by Calrossie Constellation. Her dam, Aberfeldy Augusta Amelia 2nd, is being retained at Gloriadale as one of our 10 females. Her half brother, Gloriadale Control x by Meteor 5th x, was one of the top bulls ever to leave Gloriadale and is one of the top bulls in the Maritime Provinces in Canada today. He was grand champion of the New Brunswick Provincial 1964 show and was written up in the Maritime Farmer in the July 20 issue. Gloriadale Augusta Amelia's last Meteor 5th x son was sold to K. W. Taylor, Waterville, N.S., and is regarded as one of the top Shorthorn bulls in Nova Scotia according to some of the best breeders in Canada who saw him recently. (Tag 60)

Pictured are four of the good calves selling in this sale with GLORIADALE  
MAYFLOWER 15th x, Lot 16.

Seen here is Glatwyn Official x, top-selling polled bull in the 1961 Glatwyn-Richwood sale, purchased by Gloriadale Farms and Beath Acres. Shown at left are Roy Philp, Lance Beath and Gerald Clodfelter. Glatwyn Official x is the sire of Lot 18.

**GLORIADALE CLARET 6th x** — A polled daughter of Glatwyn Official x, top selling polled bull in the 1961 Glatwyn Richwood sale. She is a half sister to Gloriadale Fascination x, reserve champion at the 1964 All-American Polled Sale, where he sold for an all-time high price for this sale, going to the well-known polled breeder, Chuck Leemon, Leemon Stock Farms, Hooperston, Ill. Her dam, Bristows Claret 10th x, is a Meteor 5th x daughter selling as Lot 13. Read her footnote to see why she hasn't the Gloriadale prefix. She has a horned heifer calf by Constellation at foot and will be rebred to Constellation by sale day. Her next calf will have five ton bulls in its pedigree — Constellation of Bapton x, Glatwyn Official x, Meteor 5th x, Birmingham Meteor x, and Birmingham Nugget x. This heifer was slated to remain at Gloriadale on account of this size factor. (Tag 82)

**GLORIADALE MAYFLOWER 17th** — She is a dehorned daughter of Meteor 5th x. Her two full polled brothers sold to Artificial Breeding units. Gloriadale Meteor 13th x was sold to Waterloo Cattle Breeders association in 1961 at a high figure and has sired top calves all over Canada. He had an average gain of 3.25 pounds a day. Gloriadale Cornerstone x, another full brother, polled, had an average daily gain of 3.07 and sold to the New Brunswick Cattle Breeders Assn. in 1963. We think this is possibly an All-American record of one cow producing two polled sons to be used artificially by the same bull which was the famous Gloriadale Meteor 5th x. She has a red horned heifer calf at foot born Sept 17, by Constellation of Bapton x. She also has a full sister in this sale, Lot 33. (Tag 56)

**GLORIADALE MAYFLOWER 2nd x** — Another Gloriadale foundation female that sells with a top polled bull calf at foot by Constellation of Bapton x. Her last year's June polled daughter by Constellation also sells at Lot 61, and proved the good breeding of this polled female. One of the best polled sons by Gloriadale Meteor 5th x was sold to M. J. Humphreys, Wolcott, Ind., and in turn this calf's polled daughters were sold to the famous herd of Jerry Clodfelter. Don't miss this cow sale day. She will be rebred to Constellation of Bapton x by sale day. Her sire, Royal Norseman, weighed 2,200 pounds and did a great job for John Rickard, Spring Grange Farms, giving him some of the size which he still retains in his herd at Newcastle, Ont. (Tag 40)

Here are some more of the great brood matrons that have done so much to make Gloriadale Polled Shorthorns world famous. Left to right: Gloriadale Augusta Amelia 2d x, Gloriadale Claret 3d x, Gloriadale Mayflower 15th x, Chignecto Rosewood 7th, and Gloriadale Marty Pauline.

It takes good cows to produce good young bulls like these selling in the Gloriadale Near Dispersion Sale. Avail yourself of the opportunity of dividing this high quality female offering.

**GLORIADALE MAYFLOWER 22nd x** — Another top polled daughter of Meteor 5th x. Her granddam is the good Birmingham Ransom Mayflower x cow that, according to Frank Laing of Birmingham Farms, was one of the greatest polled cows ever to leave their farm at Kingston, Ont. She is the granddam of Meteor 5th x. She left us seven daughters at Gloriadale and indirectly made the well known herd at Gloriadale. Her dam, Gloriadale Mayflower 9th, weighs 1,400 pounds. She will be mated to Constellation of Bapton x. She has a 1964 May polled daughter selling as Lot 53. Unfortunately we lost her calf in May this year. She has a full sister by Meteor 5th x, selling as Lot 31. (Tag 77)

Some more of the big bodied, broody females selling in this sale. Left to right: Aberfeldy Augusta Amelia 2d, Rosborn Lancaster Beauty 12th x, Gloriadale Ransom Maid 6th x, Gloriadale Gloria Souchong, Gloriadale Claret 4th x, Gloriadale Gloria Souchong 3d x, Gloriadale Rosewood 5th x, and Gloriadale Ransom Goldie 4th x.

One of the reasons that Gloriadale Polled Shorthorns have made such improvement strides has been its management's policy to infuse the best of both Polled Shorthorn and Shorthorn bloodlines. The soggy calves pictured above with their dams are testimonials to the success of this policy.

**CLARET BONNIE x** — Purchased from Gunter Bros. in 1963 as a foundation female at Gloriadale. Her first heifer calved at Gloriadale, Gloriadale Claret 9th x, who is a polled heifer. She is selling as Lot 58 in this sale bred to Constellation. Her second calf, Gloriadale Commander 2nd x, is a top polled bull by Constellation selling in this sale. Her sire, Elmnick Renown 2nd x, was in our opinion the greatest polled bull ever used in the Eastern Breeders Unit at Belleville, Ont. You will also have another opportunity to buy another large polled cow in this sale by this bull, Rosborn Lancaster Beauty 12th x. Claret Bonnie is the type of polled cow we are striving to produce at Gloriadale and this is an opportunity for you to get one that will do the same job for you. She was rebred to Constellation of Bapton x, March 31, 1965. (Tag 30)

**GLORIADALE DAYBREAK A** — This is one of the largest horned cows from our foundation herd. Her dam, Birmingham Ransom Daybreak A x, was also the dam of Birmingham Meteor x that weighed 2,265 pounds. She has a top twin polled bull calf at foot by Constellation of Bapton x. Her bull calf will be worth many times what you pay for the pair. (Tag 55)

**GLORIADALE MAYFLOWER 25th x** — Another Mayflower polled daughter of Meteor 5th x, and a full sister of Gloriadale Mayflower 22nd x, selling as Lot 25 in this sale. She has a polled daughter born Jan. 19, 1965, by Constellation of Bapton x at foot and will be rebred to Constellation. This may be one of the greatest buys of the sale, with a Meteor 5th x polled daughter with a polled Constellation calf at foot and remated to Constellation. This heifer has wonderful conformation, is low-set and good-headed. She is a granddaughter of our famous cow, Birmingham Ransom Mayflower x. We have only sold one of this family before this sale. This young cow will be an asset to the most discriminating polled breeder. (Tag 79)

Constellation of Bapton x, shown the day he arrived at Gloriadale from Scotland. This bull weighed a ton after his importation voyage. His blood features this historic near dispersion.

The cow on the left is Spring Grange Mayflower 23rd, dam of Lot 33.

**GLORIADALE MAYFLOWER 27th** — Her full sister sells in this sale as Lot 19. She has a young top polled bull by Constellation of Bapton x born July 19, 1965, at foot. Her two full polled brothers were sold to Artificial Breeding Units in Canada — Meteor 31st x to Waterloo Cattle Breeders with a 3.25 pound a day gain and Gloriadale Cornerstone x to the New Brunswick Cattle Breeders Ass'n. As we stated on her full sister's footnote, this is possibly an All-American record for two full brothers to be sold for Artificial breeding with such a good rate of gain. She will be remated to Constellation of Bapton x by sale day. This is another dehorned daughter of Meteor 5th x. Her calf is one of the best young polled bull calves at foot. (Tag 83)

*"My advice to anyone wishing to get ahead in the breeding of livestock is to attend every dispersion of a famous herd that is held. Only there can you buy the truly outstanding producers that have contributed to the other man's success."*

**GLORIADALE JUNO 9th x** — Another polled daughter of Gloriadale Meteor 5th x out of Lot 15, Gloriadale Ransom Juno 7th x, our only Louada Regalia daughter. This heifer was slated to remain at Gloriadale as a brood cow right from a calf and up to the last we tried to make her one of our 10 but found it necessary to let her go to make the sale a sale of the top Polled Shorthorns of America. She has a polled bull by Constellation of Bapton x and will be rebred to Constellation. She is a granddaughter of our original polled cow Birmingham Ransom Juno 2nd x that also produced Gloriadale Ransom Juno x, that in turn produced Gloriadale Dauntless x whose size and polled head made him top-selling bull at the 1964 Tennessee National. She is dark red with a good head and plenty of quality and should be one of the good heifers of the sale. (Tag 71)

**GLORIADALE RANSOM MYRTLE 10th** — Another Glatwyn Official x heifer that carries the size of her sire and is out of one of our original polled Birmingham cows — Birmingham Ransom Myrtle 2nd x that weighed 1,400 pounds. She is a half sister to Gloriadale Fascination x, reserve champion at the 1965 All-American Sale and had an average daily gain of 24.0 under the Ontario Department of Agriculture testing program. She was bred Feb. 23, 1965, to Constellation of Bapton x and should calve by the end of November. If you are looking for cattle to give you size, see this heifer sale day. This is a dehorned heifer. (Tag 74)

Gloriadale Fascination x, reserve champion bull at the 1964 All-American sale where he was purchased at \$2,300 by Leemon Stock Farm, Hooperston, Ill. Leemons are pictured with Roy Philp.

**GLORIADALE RANSOM MAID x** — Another big strong cow from the Maid family which has given Gloriadale so much size. Her half brother, Gloriadale Premium x, was second top-selling polled bull at Brandon at the Fourth International Bull Sale. We are keeping her half sister, Gloriadale Ransom Maid 5th x, as one of our foundation females at Gloriadale. She has a big rugged August polled bull calf by Constellation that should grow into a great herd sire. If you need size in your polled herd, don't miss this good cow. (Tag 14)

**GLORIADALE GLORIA SOUCHONG 2nd x** — A Meteor 5th x daughter out of the great polled cow, Freda Souchong. She is a full sister of Gloriadale Supreme x, top-selling polled bull at the 1965 Canadian International and also a full brother to Gloriadale Aristocrat x that sired six of the good heifers selling in this sale. She was bred to Constellation of Bapton x on Feb. 4, 1965, and should calve about the middle of November. Her polled daughter by Constellation, Lot 59, will also sell. If you check this calf, you will have a good idea of the kind of a calf you might expect from this cow. (Tag 76)

Gloriadale Supreme x. He is a full brother to Lot 39.

**Lot 40**

**Female**

**GLORIADALE CLARET 11th x** — Another Constellation of Bapton x polled daughter selling bred to Gloriadale Supreme x by sale day. We are retaining her dam, Gloriadale Claret 4th x, as one of 10 females at Gloriadale. Her full brother, Gloriadale Constellation x, will also sell as Lot 5. As stated in his footnote he is possibly the best polled bull yet bred at Gloriadale. Gloriadale Claret 11th x was to remain as one of our 10 foundation females as she has a great head, dark red color, tremendous bone and the kind of heifer all polled breeders are striving to produce. Many top Shorthorn breeders say she is easily the best female ever dropped at Gloriadale.

**Fifteen cows are selling in  
this sale with calves at side.**

**Many of them are rebred  
to world famous sires like**

**Gloriadale Meteor 5th x and  
Constellation of Bapton x.**

Pictured above are GLORIADALE BROADHOOKS 2d x, Lot 45, and GLORIADALE CLARET 11th x, Lot 40. Both are the foundation kind and will be special attractions in this sale offering.

Birmingham Meteor x, the bull which did such a good job in the Gloriadale herd.  
Lot 41 is out of a daughter.

**GLORIADALE MAYFLOWER 33rd** — This is the first heifer born at Gloriadale by Constellation of Bapton x. She unfortunately came horned but is a great individual and out of Gloriadale Mayflower 8th x that in turn is a full sister of Gloriadale Meteor 5th x. This great polled cow, her dam pictured on page 3, is considered by many Shorthorn breeders to be one of the best polled females of the breed. She will remain at Gloriadale as one of the 10 foundation cows for our new herd. Gloriadale Mayflower 33rd would definitely have stayed at Gloriadale as a brood cow. She will be mated to Gloriadale Supreme x. Supreme was top-selling polled bull at the Canadian International Bull Sale and was third top-selling bull in the entire sale of 59 bulls. He is a full brother to Gloriadale Aristocrat x that sired Lots 43, 44, 46, 49, 51, 55, all selling in this sale. See these heifers and you will see the type of calf you can expect. (Tag 39)

**GLORIADALE MAYFLOWER 28th x** — Another polled daughter of Birmingham Meteor x bull that weighed 2,265 pounds. This heifer has a great bone and will be a big polled cow. She will be one of the last daughter of Birmingham Meteor x to be sold. She was bred Jan. 14, 1965, to Constellation of Bapton x and should calve about sale time. If you have a size problem in your polled herd, see this heifer on sale day. Her dam, Gloriadale Mayflower 15th x, sells as Lot 16. See her footnote to help you analyze fully this good polled heifer. This Birmingham Meteor x daughter would never be sold if it hadn't been for this sale. It takes years of careful breeding to produce this type. Her grandmother is the famous Gloriadale Mayflower 4th x, the mother of the 5th and a cow that weighed 1,500 pounds. (Tag 73)

**NORLENVIEW CLARET 15th x** — This is the oldest daughter of Gloriadale Aristocrat x selling in this sale. This dark red, good-headed polled heifer should never leave Gloriadale as no one can produce enough brood females of her type. She was mated to Constellation of Bapton x on June 10, 1965. Gloriadale Aristocrat x is a full brother to Gloriadale Supreme x, the top-selling polled bull at the 4th Canadian International Bull Sale at Brandon, Man., in February. Her Constellation calf when dropped will be worth the price you pay for this female. (Tag 84)

**NORLENVIEW CLARET 20th** — Another Manitoba-bred heifer by Gloriadale Aristocrat x. This is a dehorned heifer and you may wonder why we would bring her all the way from Manitoba, but when you see her you will readily know why. She will be mated to Constellation of Bapton x. If you check her pedigree you will see she goes back on her dam's side to Bapton Chancery that left so many good females for Jack Gabel. She is another Claret female and if you check them on sale day you will see many good Clares at Gloriadale. (Tag 87)

From left, are Gloriadale Constructor x  
and Gloriadale Diamond x. Both these  
sons of Gloriadale Meteor 5th x sell.

**GLORIADALE ROTHES ROBERTA x** — Another polled daughter of Constellation of Bapton x, bred to Gloriadale Supreme x. This heifer has as much Scotch blood as any polled heifer in the sale and goes back to Calrossie Welcome on both sides of her pedigree. Only in a sale such as this could this heifer be bought as we would never have parted with her. She is a great individual with a top polled pedigree. (Tag 75)

**GLORIADALE RANSOM MAID 12th** — Another Gloriadale Control x daughter out of a Meteor 5th x daughter Gloriadale Ransom Maid 6th x, being retained at Gloriadale. This heifer came horned, but she still has the quality of Gloriadale Maid family. She was rebred to Constellation of Bapton x June 9, 1965. With the tremendous scale of her sire, out of one of the best brood cows at Gloriadale, and rebred to Constellation, she should produce the type of calf Shorthorn breeders are looking for. (Tag 80)

The kind of foundation females that feature this sale. From left are Aberfeldy Augusta Amelia 2nd, Gloriadale Claret 4th, Rosborn Lancaster Beauty 12th x, Gloriadale Ransom Maid 6th x, Gloriadale Gloria Souchong, Gloriadale Gloria Souchong 3rd x, Gloriadale Rosewood 5th x, and Gloriadale Goldie 4th x.

Gloriadale Control x, one of the best bulls ever to leave Gloriadale Farms. A number of his daughters are included in this powerful sale offering.

GLORIADALE MAYFLOWER 32nd — Another Gloriadale Control heifer out of a Meteor 5th x daughter. She was mated to Constellation of Bapton x, June 19, 1965. This is a dehorned heifer. She should have plenty of size with her good pedigree as her great grandmother, Gloriadale Mayflower 2nd x, sells in this sale as Lot 21 and goes back to Birmingham Ransom Mayflower x, the greatest foundation female at Gloriadale. (Tag 72)

An attractive group of young females that would make strong foundation purchases for any herd intent on improving its status in the Polled Shorthorn industry. From left are Norlenview Claret 17th x, Norlenview Aristocrat Belle x, Gloriadale Mayflower 29th, Norlenview Maxine 4th x, Gloriadale Broadhooks 2nd x, Gloriadale Mayflower 32nd x, Gloriadale Mayflower 31st x, and Norlenview Claret 15th x.

Quality females like these make up the Gloriadale herd. The second cow from the left is the granddam of Lot 53.

**NORLENVIEW MAXINE 4th x** — Another of the seven daughters of Gloriadale Aristocrat x. Note the size and growth of this dark red polled female. She was mated to Constellation of Bapton x on June 30. Her sire, Gloriadale Aristocrat, was purchased by Jack Gabel, Lenore, Man., in October, 1962 and this year Mr. Gabel and his wife purchased another Gloriadale bull, Gloriadale Premium x, which is proof that they must have been well satisfied with Aristocrat and Gloriadale breeding. We are very proud of these heifers in our sale and they will help to prove what Gloriadale cattle do for their new owners. (Tag 86)

**GLORIADALE MAYFLOWER 30th** — This is a dehorned daughter of Gloriadale Control x, the big rugged bull mentioned frequently in this sale catalogue. Many top Shorthorn breeders acclaim him as one of the most fundamentally correct Shorthorn bulls in America today. He is sired by Meteor 5th x out of Aberfeldy Augusta Amelia 2nd, one of the best cows being retained at Gloriadale — polled or horned. Her dam, Gloriadale Mayflower 19th x, is a linebred daughter of the famous cow, Birmingham Ransom Mayflower x. She was bred June 19, 1965, to Constellation of Bapton x. (Tag 28)

The cow on the left is Birmingham Ransom Mayflower x, granddam of Lot 56. She was also the mother of Gloriadale Meteor 19th x, one of the top-selling bulls in the 1960 Atlantic All Bull Sale.

GLORIADALE GLORIA SOUCHONG 4th x

A heifer that we had planned to keep in the ten-head group we are retaining. However, we have her dam and have decided to make this youngster a sale attraction.

GLORIADALE RANSOM MAID 14th — This is a dehorned daughter of Constellation of Bapton x that would have been retained at Gloriadale as a brood cow. We have retained her mother in the 10 females we are keeping at Gloriadale and her mother's half sister which should prove what we think this family of Maid cattle. Her grandmother last year produced Gloriadale Premium x that had an average daily gain of 2.94 pounds and was second top-selling polled bull at the Canadian International Bull Sale at Brandon in February 1965. Her dam, Gloriadale Ransom Maid 5th x, has as much scale as you will find in any polled female. Check the size of this heifer for her age on sale day. Sells open.

Gloriadale Premium x, pictured, is out of Birmingham Ransom Maid, the  
granddam of Lot 60.

A good sign and good Polled Shorthorns are a top advertisement for Gloriadale Polled Shorthorns. From left are Gloriadale Mayflower 33rd x by Constellation of Bapton x; Gloriadale Mayflower 35th x by Constellation of Bapton x; Gloriadale Gloria Souchong x by Constellation of Bapton x; Gloriadale Broadhooks x by Gloriadale Meteor 5th x; Gloriadale Mayflower 28th x by Birmingham Meteor x; Gloriadale Mayflower 25th x by Gloriadale Meteor 5th x; Gloriadale Daybreak A 4th x by Gloriadale Meteor 5th x; Gloriadale Ransom Myrtle 9th x by Glatwyn Official x; Gloriadale Mayflower 34th x by Constellation of Bapton x; Gloriadale Rothes Roberta x by Constellation of Bapton x; Gloriadale Claret 11th x by Constellation of Bapton x; and Gloriadale Juno 10th x by Constellation of Bapton x.

Misty's Juno x =363842=—  
Dark roan, P. G. Smith

**MARFAR SILVER ROSE 18V x** — A red polled daughter of Gloriadale Renown x that was by Gloriadale Meteor 5th x. This heifer has a her great grandsire Scotsdale Jupiter. She also verifies Gloriadale's policy of breeding polled bulls to good horned cows to produce a good Polled Shorthorn. This heifer typifies the kind of polled heifers you get with Gloriadale bulls. We were very happy to be able to buy this heifer from Murray Faris to add quality to our polled sale. She is one of the good polled open heifers in this sale.

**GLORIADALE RANSOM JUNO 9th** — Another red daughter of Constellation of Bapton x out of a polled daughter of Louada Regalia, the \$20,000.00 son of Bapton Constructor now in service for the Browns of Kentucky. This is a dehorned heifer with plenty of scale and good conformation. We would have used this heifer in our breeding herd because of her top pedigree and type. Note the amount of Calrossie blood in her pedigree. Sells open.

**Gloriadale Ransom Juno x, half sister to the dam of Lot 64, Gloriadale  
Ransom Juno 9th x.**

**Lot 65****GLORIADALE PRIMROSE = 555000 =**

Tattoo: VJF 27V rt ear

Red, calved June 22, 1964. Bred by Reford W. Gardhouse, Milton, Ont.; calved property of Gloriadale Farms, Port Hope, Ontario.

**SIRE:**  
Aberfeldy Royal Robin  
White, J. C. Innes & Sons  
  
**Aberfeldy Deacon = 400141 =**

Red roan, R. W. Gardhouse  
Crichton Primrose 6th (imp)  
Red roan, R. H. Watherston

**GLORIADALE PRIMROSE** — This horned heifer is out of Aberfeldy Primrose that we purchased in the 1963 Louada Sale from R. W. Gardhouse. Her sire, Aberfeldy Deacon, was 1963 International grand champion. Her dam sells in the sale as Lot 34 and in turn was sired by the imported Duncrahill Buffalo Bill. This heifer has a top horned pedigree and could go into any horned herd in America. Check Aberfeldy's winnings in Toronto Royal or Chicago in the past few years and see how many of these prize winning cattle came from her grandsire, Aberfeldy Royal Robin, himself a champion. Sells open.

**Female Lot 66****Female****GLORIADALE MAYFLOWER 36th = 559380 =**

**GLORIADALE MAYFLOWER 36th** — This is a dehorned daughter of Constellation of Bapton x. Her dam, Spring Grange Mayflower 23rd, did a great job at Gloriadale, giving us two full brothers both polled by Gloriadale Meteor 5th x going into Artificial Breeding Units in Canada. Two half sisters of this young female sell in this sale as Lots 19 and 33. She is a great individual and with the records of her two half brothers that both gained 3.25 pounds a day under the Ontario government testing programme she has to be a good female. Sells open.

**Aberfeldy Deacon, grand champion at the 1963 Chicago International and Royal Winter Fair. He is the sire of Lot 65.**

## 10 COWS TO BE RETAINED AT GLORIADALE FARMS

| <b>TAG</b> | <b>NAME</b>                   |

| 88         | Norlenview Augusta 3rd        |

*Calves at foot will carry same numbers as their dams.*

## TRAIN AND PLANE INFORMATION

### **By air . . . Chicago to Toronto**

Air-Canada has about eight flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport.

### **By air . . . from other points**

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

### **By rail . . .**

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in Toronto early in the morning. The train from Toronto for Chicago leaves about 10 p.m.

### **By automobile . . .**

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airline ticket from Chicago-Toronto is only about \$55. Rail about the same. Traveling alone it is difficult to beat this by car.

### **By rail . . . Toronto or Port Hope**

There is good service but there are changes in schedules

and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough or Port Hope, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call and we will arrange to pick you up.

### **Meeting you in Toronto**

We will be happy to meet your plane. It is about an hour and a half drive to the farm. Try to arrive early enough so you won't miss the affair at the farm Friday evening. Please advise us in advance of your arrival time.

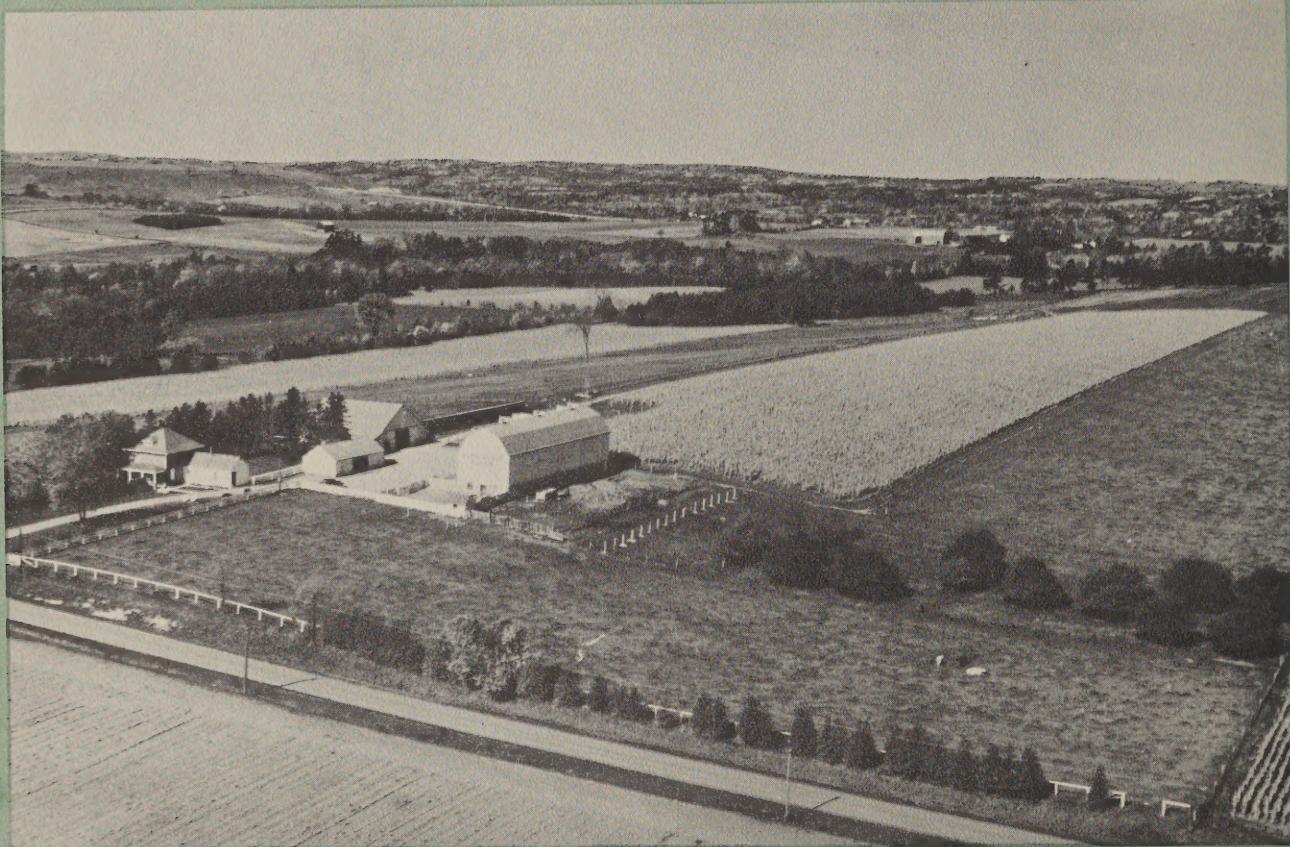

### **Cars from Peterborough - Port Hope**

If you are without transportation upon arriving in Peterborough or Port Hope, contact the farm. On sale day cars will leave from the motel area at approximately 8:30 a.m. and 9:00 a.m.

**All train and plane information given here is approximate.**

**Be sure to check with your ticket agent for exact times.**

**Because schedules change we cannot quote exact times.**

**A view of scenic Gloriadale Farms.**
